How to Use This Pack

A simple routine for joyful Arabic practice

5-STEP FAMILY FLOW

A premium, low-friction practice routine

Each Story Paper is designed to work beautifully in short sessions at home. The structure supports listening, reading, repeating, and a small activity—without overwhelming the learner.

01

Listen & read

Use the story lines to hear or read each sentence slowly.

02

Repeat in short bursts

Practice one line at a time. Keep the session playful and brief.

03

Use the vocabulary

Point to each word, then connect it to the English meaning.

04

Print and complete

Use the activity area for tracing, matching, or drawing.

05

Celebrate progress

Finish with praise, a sticker, or a favorite word of the day.
